The Nochomovich Family Genealogy

The Nochomovich Family Genealogy

Preface

Date :- 8th May 2018

Part 2 Michel's Father's Family The Nochomovich Genealogy Book.

This book was written as a follow up to Part 1 Michel's Genealogy "The Jabkovitz's of Lithuania which I created 18th March 2018 of my ancestors.

I originally started compiling this family tree in 2002, writing to family members,

I travelled to Canada, the USA and spoke with family in the UK, and New Zealand, this is the final compiled book of the history of the Nochomovich family of Lithuania.

I was aware of a large part of our family lived in Canada, and as I am descendant of Canada, I grew up with many of my cousins. My descendants in Canada arrived at the turn of the 20th century and luckily escaped the horrors of the Holocaust. Some even served in the military during the second world war and fought against the Nazis.

I met with my Canadian family again, it was a great experience, the family was warm and welcoming. It was winter and freezing. It allowed me to collect data on all the other members of the family.

My family from all over the world gave me a list of their relatives, and pictures and details of their lives which I now have included in this book.

This is my legacy to all members of the Nochomovich family.

As a preliminary note:- Our family the Nochomovich family came to the UK in early 1900's, they decided to change their names to the Goldstein's as that sounded far more affluent - so The Goldstein's were born.

The Nochomovich family were originally from Lithuania.

We are the lucky survivors of that group.

This book contains the records of **7 generations** and **167 members** of the Nochomovich Family.

The purpose of this book is to keep alive the memory of all the members of the Nochomovich families, both past and present.

I have journeyed back through history to find how and what the families went through to survive till today, and found it to be unbelievable, sad, heroic and a great honor to be able to write this book.

The book contains Genealogical trees to show how the families are connected, as well as pictures of each member of the Nochomovich family that I have.

The index at the back gives each person a page reference of where they and their families are to be found in my book.

In memory of Jean Kitchener (nee Morley) who sadly passed away on Wed 9th May 2018.

Jean and Ray (her husband) supplied me with valuable history and documentation for this book.
